

# Usage Rights - for images, logos and icons

MagTek expects image use to reflect the nature of its being an Equal Opportunity Employer, dedicated to community growth and well-being.

**Marketing Use for Sale and Promotion:** Usage is permitted when proper trademark notice is posted and in instances where a formal business relationship is established including but not limited to: a signed non-disclosure agreement; placement of sales orders; signed company agreement; or signed services agreement. If the relationship is outside of the scope of these formal business relationships, express permission must be requested from [marketing@magtek.com](mailto:marketing@magtek.com).

**Editorial Use:** Usage is permitted when used in an editorial format, digital or print, based on the Fair Use exception of copyrighted work where the primary purpose is for reviews, education, or news reporting.

**Modification:** Images, logos, icons and other items may not be modified. Images can be incorporated into other images when shown in accordance to appropriate use of the device, logo, or image and are not used to represent actions outside the scope of the device, icon, logo, or image.

<b>Sale of images:</b>	Images may not be sold
<b>Usage duration:</b>	Limited to the life of the product
<b>Usage distribution:</b>	Worldwide
<b>Promotion:</b>	Images may be used to promote sales of the device
<b>Enhanced license:</b>	Required for production in film, TV, books, periodicals, and merchandise

**What is not allowed:** Images may not be used in conjunction with sensitive subjects, defamatory subjects, and/or used in a manner that could be perceived as reflecting poorly on the image of MagTek and/or its subsidiaries.
